

The Hong Kong University of Science and Technology
Academic Registry
Application for Program Transfer/Change of Academic Load
(for Postgraduate Students)

Notes

- 1. Application for program transfer and change of academic load should be submitted before the term the transfer takes effect.
2. Normally, a transfer will NOT be effected until the following regular term.
3. For applications submitted in the middle of a term requesting for the transfer to take immediate effect, the endorsement of the dean of the school must be obtained. Unless there are extenuating circumstances, request for program transfer to be effected in the middle of a term is not supported.
4. If a transfer is approved, the transfer-in department will determine which credits from the student's former program apply to the new program.
5. A change of academic load from full-time to part-time status will render the students ineligible for a place in a residential hall and affect their studentship entitlement (if they hold one). The eligibility for student visa of non-local students may also be affected.
